2004 Wet Season Compliance -or- SWPPPery When Wet

September 30th
Woodcreek Oaks
Golf Club
5880 Woodcreek Oaks Blvd
Roseville, CA

Workshop Overview

This workshop features an overview of municipal, state, and federal NPDES regulatory requirements pertaining to stormwater runoff and non-stormwater discharges from construction sites. A discussion of stormwater pollution prevention plans (SWPPP), and instruction on best management practices (BMPs) selection and implementation will be included. BMP vendors will be present to answer your questions.

The "How To" aspects of State NPDES General Permit compliance throughout all the phases of construction will be addressed. Preparation for the upcoming rainy season will also be emphasized. The seminar will include a tour of several construction sites in the afternoon where you will see best management practices demonstrated.
